# Why News Talk?

➤ **Arbitron 2016 Executive Summary**

The News/Talk information stations are ranked #1 in the U.S, and streamed stations in these formats far exceeded any other format. They ranked prominently in highly educated, high income listeners.

➤ **Small Business Success Magazine**

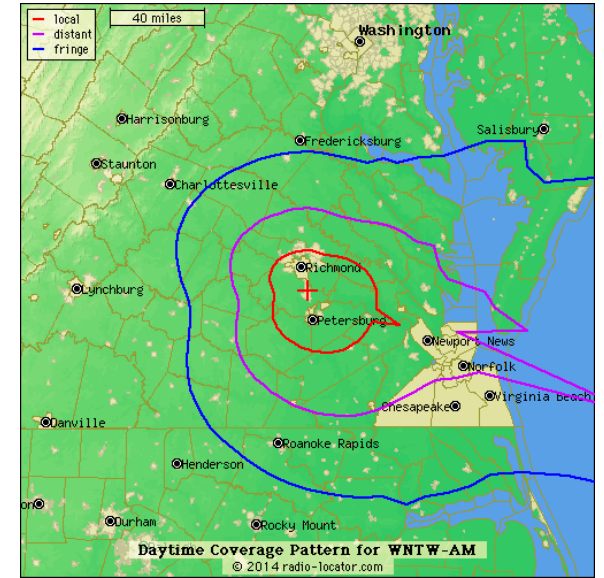

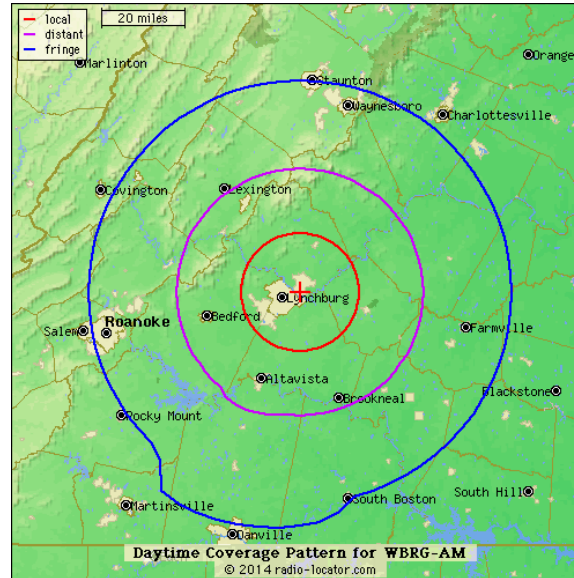

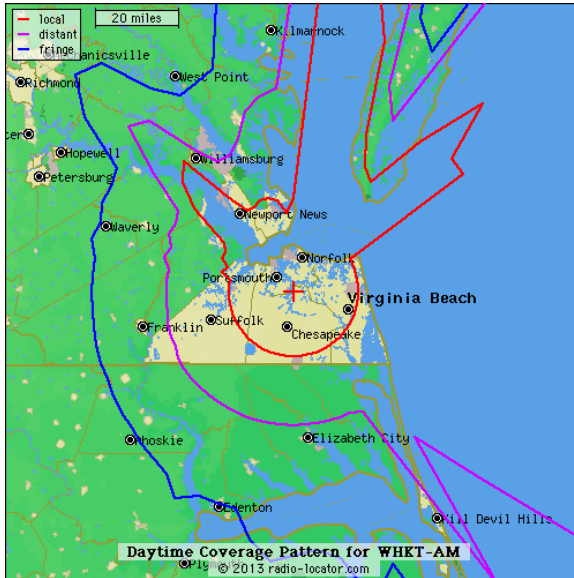

If a company markets a product to the 50 plus market and that product does nothing but maintain its market share, it should increase sales by 35 to 50% over the next 20 years.

➤ **Michael Harrison, Publisher, Talkers Magazine**

...for a wide variety of reasons that used to require detailed explanation but have become increasingly self-evident, dollar-for-dollar, the advertiser trying to reach an adult audience will enjoy approximately three times the bang for their buck buying news/talk radio than music radio.
